

Welcome

Moin, moin (as we say in Hamburg)! You are on the website of the student representatives of Department E, the german abbreviation is FSR ET/IT. If you study Microelectronics and Microsystems, Information and Communication Systems, Electrical Engineering, Computer Science, Computer Engineering or Technomathematics or if you're interested in any of these courses of study, you're in the right place.

The currently elected student representatives are shown at [Members](#). Our representatives sent to other student committees and their meeting dates you will find at [Committee Work](#).

AStA Help for Internationals

Moin,

nice that you found the page of the FSR. Please contact us urgently at internationales@asta.tuhh.de if you are an international student who cannot make it safely to Germany by 11 Oct due to entry difficulties (visa, pandemic). If we know that we are expecting you, we can help you !

Your AStA International Affairs

Apartment Hunting

If you just arrived in Hamburg, you may need help finding a place to live. The [Student Union](#) can help you with this. There are lots of Dormitories in Hamburg, three of them in Harburg. You can apply [here](#). If you need any help, you can either [contact people from the student union](#) or write our primary for internatinal affairs at tim@fsr-etit.de

You can get our calender at [iCal](#) or get it here as an import [Google-Kalender](#).

News

Master-OE

Moin and welcome to all future master students of the TUHH,

on 30.03 there will be an orientation session at 10.00 a.m., so that you can find your way around the university much better right away. The event will take place online via Zoom. You can register [here](#). There will also be a [brochure](#) with the most important information about course registration and the

campus.

ChristNix

The annual winter time with freezing outside and contemplative mulled wine drinking has already begun and so we would like to invite you: To our ChristNix celebration!

Thursday, the 22.12., from 18 o'clock in the LuK! Let us celebrate the end of the year comfortably mulled wine, beer, soft drinks and hot dogs.

As we do every year, we will honor your voter turnout by giving out free beer in the same amount. Since this year's turnout is 8.4%, there will be 8.4l (a case of Astra) of free beer. So don't be late!

Freshmen

Are you new at the TUHH? Then take a look at our page for freshmen. There you will find all important information for a good start into your studies. Just click [here](#).

Supervised learning

The exam period has started and we from the FSR ET/IT support you again in studying for your exams!

If you are writing one or more of the exams „Stochastik“, „Informatik für Ingenieure 1 oder 2“, „Elektrotechnik 2“, „Programmierparadigmen“, „Graphentheorie und Optimierung“ or „Grundlagen der Elektrotechnik“ this semester, you can drop by at the „Betreutes Lernen“ on campus in the days before your exam, study there in study groups or alone and let experienced tutors help you with your last questions.

You will soon find all important information about dates, rooms, and the schedule in our StudIP event „Betreutes Lernen FSR ET/IT“ <https://fsret.it/2MQUg8A> . Please register there under Participants → Groups, so that we can estimate the number of participants in advance.

For some of the courses we are still looking for tutors. If you know one of the subjects well and would like to support us, please contact us at fsr-etit@tuhh.de or jasmin.stuemke@tuhh.de . More information is available [here](#).

Office hours

Hello,

if you have questions, suggestions, wishes or just need to talk, the office hours are just the right thing. Now that we are back at the university, we don't have fixed hours anymore. Just drop by our office (E 0.097). Even during the exam period there is often someone there. Alternatively, you can

send us an e-mail. The FSR ET/IT

Abgrillen & Anpunschen 2022

Warm drinks, cold beer and a lot of fun! That is our Abgrillen and Anpunschen. Once again we had a fantastic evening with fantastic people. Thank you for your presence and see you at the next event.
Your FSR ET/IT

GameING 2022

This year, after a long break, we had our LAN party GameING again. After some initial problems the gaming could start! The RGB driven computers were running at full speed, but also our Switch corner enjoyed great popularity. We are looking forward to the next GameING next semester with new and old faces.

Student Council Plenary Meeting

The student council general meetings are coming up, with a free drink the student council ET/IT presents everything important that happened last semester. It is about changes in our dean's office, study programs, future events and much more. Of course, with a free drink in hand, you can also bring up your important concerns, which we can then discuss over a free drink.

It all starts **coming Wednesday** the **27.04.2022** at **13:30** in the **Audimax II**. Just show up, grab a free drink, and be there! Your lectures will be cancelled or end earlier anyway.

Afterwards we have FSR meeting in room 0.013 in building D. Feel free to come by if you are interested in our work and maybe want to get involved yourself.

Tentative agenda:

1. Welcome
2. Introduction FSR
3. General matters
4. Review/Events
5. Questions

We welcome every new and old familiar face to join us on Wednesday!

See you next week then,

Your FSR ET/IT

Angrillen/Abpunschen

It's that time again: The snow has melted, the birds are chirping again, the grill is leaving its burrow and the mulled wine will soon be flying south. We would like to celebrate this occasion with you at our annual Angrillen & Abpunschen. We meet

On 21.04., Thursday between 13 and 22 o'clock at the TU-Teich With vaccination certificate AND quick test results.

There will be mulled wine, cold drinks and both meat and meatless barbecue for small money.

We are looking forward to seeing you!

Your FSR ET/IT

Past Exam Papers Wanted!

If you're in possession of past exam papers, midterm papers, test or oral exam protocols, exercise solutions of any of your lectures, please bring them to us, so we can hand them out to other students.

Via E-Mail:	klausuren@fsr-etit.de
Via Mail:	TUHH FSR ET/IT Am Schwarzenberg-Campus 3 21073 Hamburg
Via you bring it to our office:	Room 0.097 in Building E

Digital versions if possible, otherwise we can also scan the documents.
