

# Applicant Barbecue

Dear applicants

you have decided to apply for a study program of the Dean's Office Electrical Engineering, Computer Science & Mathematics at the TU Hamburg. We, the Student Representative Council (FSR) ET/IT, would like to invite you to a small barbecue, where you can get to know each other. In addition, students from higher semesters will be there to answer all your questions about studying at the TUHH.

We are looking forward to seeing you,  
your FSR ET/IT

## The most important in a nutshell

### For whom?

Everyone who has applied for the winter semester 2024/2025 at the TUHH for one of the following study programs (Bachelor or Master):

*Computer Engineering, Electrical Engineering, Computer Science, Technomathematics, Data Science, Information and Communication Systems, Information and Media Technologies, Microelectronics and Microsystems.*

### When?

On **tba** from **tba** (you are welcome to join us later).

### Where?

At the pond on the southern part of the TUHH campus, see also the .

### What?

A cozy barbecue with prospective students and students of higher semesters.

### By whom?

The Fachschaftsrat Elektrotechnik/Informationstechnik (FSR ET/IT) represents all students of the above mentioned study programs. Under [tasks](#) and [members](#) you can find all information about who we are and what else we do.

### More questions?

If you have further questions, just write an email to [fsr-etit](mailto:fsr-etit@tu-hamburg.de)  or use one of our other [Contacts](#).
